

Information Sheet: Organiser Insurance

“INSURANCE COVER“ for events in Schönbrunn Palace

Based on the legal provisions, you as organiser bear full responsibility for personal and material damage sustained from the event being held (A). In addition, in compliance with the (rental) agreement, you shall pay for all material damage to or in the facilities being used that are caused by you, your employees, any agents, or your guests, respectively visitors (B).

For insurance coverage of this obligation, you participated in an insurance contract, drawn up by us especially for this purpose, by payment of a corresponding premium, and therefore you are provided with insurance coverage to the following extent:

- A) Organiser’s liability insurance for personal and material damage to a third party sustained because of or in the course of the event being held and for which you can be made liable owing to legal stipulations up to an all-in insurance sum of EUR 10,000,000.--

Letting off fireworks is prohibited and therefore has no insurance coverage.

- B) Coverage for material damage to the rented buildings or those buildings made available for use (including their adaptations and furnishings), also open spaces, presuming this material damage is in excess of the usual amount of wear and tear through normal usage and for which the organiser can be made responsible.

The organiser’s own material possessions or rented possessions from outside firms are not included in insurance coverage.

This insurance coverage also extends to damage through participants (visitors). Nevertheless, this does not exclude the right of recourse against such persons.

Damage is not included in insurance coverage that is caused by the personnel of suppliers and subcontractors.
